ILUMEN
28M

ILUMEN

28M

A Masterpiece of Intelligence

Dream of Light

Designer Alberto Mancini about the new Ilumen:
"When I started sketching the Dominator 28M Ilumen,
I had two concepts in my mind: LIGHT and SPACE.
My idea was to bring the space and the feeling of a
mega yacht into a 28 metre raised Pilot House."

New concept, new design, new solutions:
blurring the lines between interior and exterior spaces.

Every function and space on an Ilumen - from the engine room to the luxury living spaces -
is designed for optimal distribution of weight, space, functionality and aesthetics.

Open to the Elements

Merge your Owner's Cabin with your own terrace by opening two sliding glass doors.

Be one step away from taking in the sea air and marvelling at the horizon in front of you from your private bow terrace.

Adaptable to Your Needs

Impressive Entertaining Space

One Step from the Sea

Desire an exclusive beach area directly on the sea?
Ready to launch your adventure with the tender in the stern garage?

Together is a Wonderful Place to be

Love at the First Sight

Megayacht Features in a 28M Format

Life is a Reflection of what
we allow ourselves to see

Floor-to-ceiling windows and glazed side passages offer you limitless sea views.

Enjoy an unrivalled scope for individualisation, setting you as an Ilumen owner apart from standardised products.

Design is a Journey of Discovery.
Are you ready?

Your personalised haven of comfort, luxury and superlative style.
Bespoke design that fits you like a glove in terms of taste and preferences.

The interior dressing of each yacht is a highly personal affair.
We will work with you and your family to create your own unique piece of art.

Technology & Design blended Together

Owner's Suite

Dominate the sea in your full beam owner's suite located forward on the main deck. Access your private bow terrace directly or enjoy the stunning panoramic view from your bed.

The retractable ceiling can be opened directly above the owner's bed to sleep under the stars to the sound of the sea. Never before will you have experienced the elements quite like this.

Simplicity is the Ultimate Sophistication

Owner's Bathroom

Happiness is Home Made

A spacious lower deck is only a few steps away.

VIP Cabin

Choose the three-cabin lower deck version to have a VIP cabin with the same size of the owner's cabin on the main deck.

VIP Cabin Bathroom

Finest materials combined with world-renowned design.

Guest Cabin

Welcome everyone as guests and let them leave as friends.

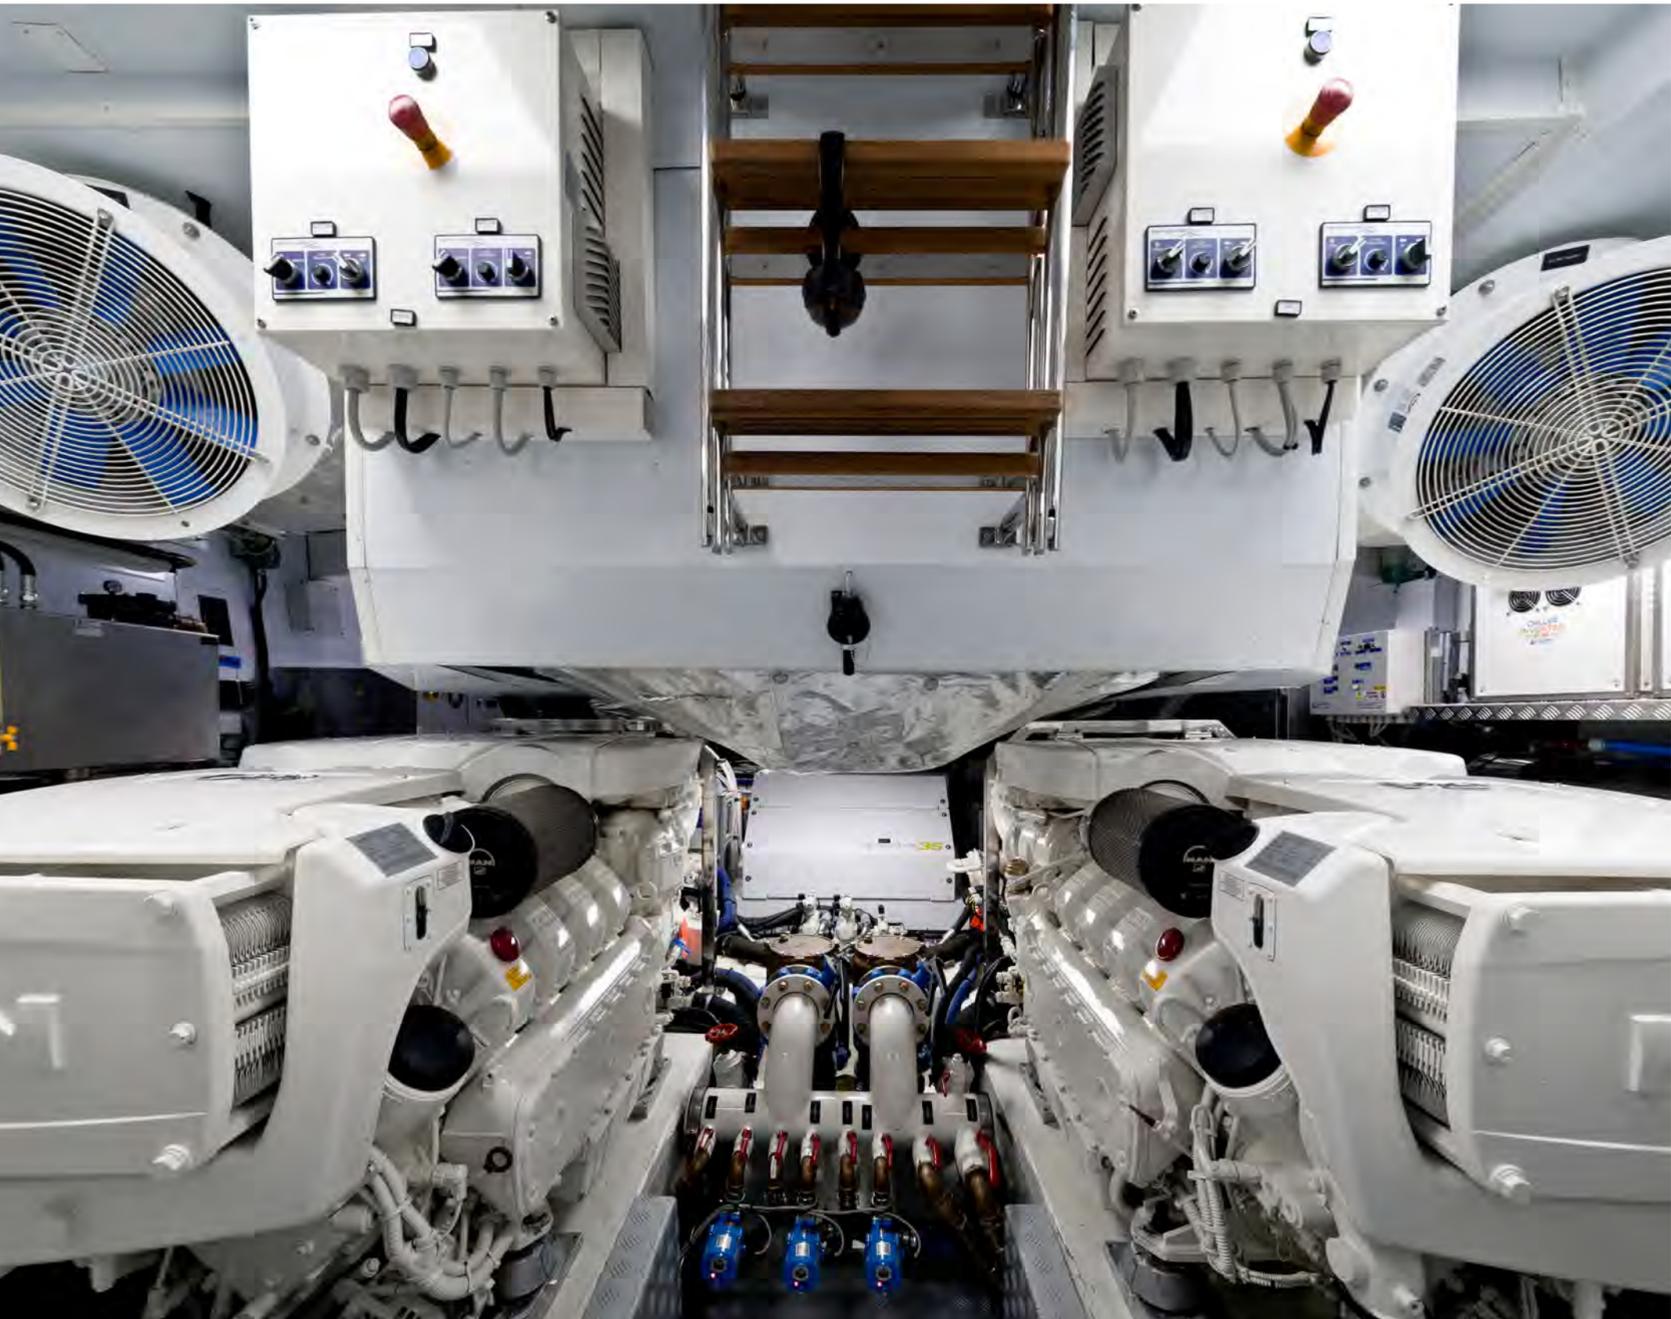

Guest Cabin Bathroom

Technological Precision

and Individual Solutions

Ambition is a Dream with V8 Engines

A New Dawn in Technology

Andrea Agrusta, Head Engineer:

"We used a rational design approach typical of big ship or military vessel that lead to the yacht being completely modeled in 3D. The result is an ideal use of space and a weight distribution that enhances both performance and comfort at sea."

Masterpiece of Intelligence

The High Performance Hull (HPH) made of carbon fibre composite provides a weight reduction of 25% compared to standard hulls. It has a tensile strength 8 times higher than steel and not least, outstanding manoeuvrability and wave reduction through the innovative design.

Engine is the Iumen's Heart
but the Owner is her Soul

Building an Ilumen is a Journey
not a Destination

28M – Technical Specifications

Length overall (incl. beach platform)	27.35 m (hull length: 23,95 m)
Waterline length	23.50 m
Maximum beam	6,58 m
Draft	1.30 m (without propellers) 1.72 m (with propellers - Fortjes version) 1.85 m (with propellers - shaft version)

SEMI-PLANING

Displacement	approx. 73.9 t (Lightship Condition) approx. 89 t (Full Load Condition)
Fuel tank capacity	9000 l + 3400 l Long Range
Fresh water tank capacity	1900 l
Engines	2 x MAN V12 1900 HP
Propulsion	2 x Reintjes Fortjes 4000 or 2 x V-Drive shaft line
Generator	2 x Genset 36 kW / 50 Hz
Vmax @ Half Load (with Fortjes)	28 kn
Vcruise @ Half Load (with Fortjes)	16 kn
Range at 12.5 kn	approx. 700 NM

SEMI-DISPLACEMENT

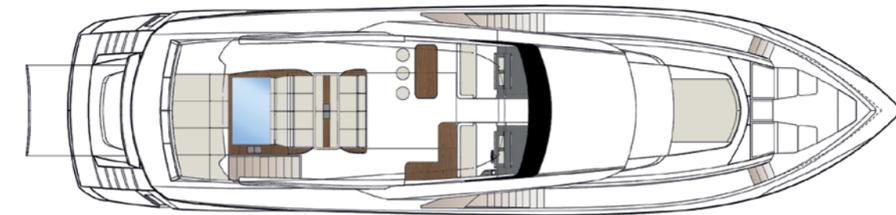

Displacement	approx. 72.2 t (Lightship Condition) approx. 88.8 t (Full Load Condition)
Fuel tank capacity	9000 l + 4400 l Long Range
Fresh water tank capacity	1900 l
Engines	2 x MAN V8 1200 HP
Propulsion	2 x Reintjes Fortjes 3000 or 2 x V-Drive shaft line
Generator	2 x Genset 36 kW / 50 Hz
Vmax @ Half Load (with Fortjes)	21 kn
Vcruise @ Half Load (with Fortjes)	13 kn (displacement)
Range at 12.5 kn	approx. 950 NM

The above is a proposal. The final layout, interior and technical specification will be bespoke and selected by the client in cooperation with Dominator Designers & Engineers.

The Shipyard where Luxury takes Shape

From its ground-breaking concept via innovative engineering solutions and the most advanced materials and technologies through to the exquisite bespoke dressing of each and every motor yacht, the Dominator 28M Ilumen sets a new standard in power, agility, comfort, luxury and security.

The result is a yachting experience like no other, giving you everything a mega yacht offers but in convenient 28-metre format.

The Dominator Ilumen yachts are bespoke through and through - from the choice of the hull between a semi-displacement and semi-planing version, to the individual comfort cruising speed, the propulsion system or the complete re-engineering of the internal spaces.

The tireless dedication of Dominator extends beyond the creation of an outstanding motor yacht and its bespoke appointment to also include a very personal and long-term service.

As an Ilumen client you are considered as a Dominator family member, so our commitment to you is both flexible in its nature and in its 24/7 availability. This is our bond to owners of an Ilumen yacht, wherever you are, whenever you need us.
