Description

This clean and well-presented Fiat Mare 32 Genius is a comfortable express cruiser and ideal family boat for day trips around Phuket. It has accommodation for up to 6 people and is Thai registered for 8 passengers and 2 crew.

The large and well shaded cockpit has lots of lounging space with a double bench helm seat and refrigerator. A large hatch gives access to the engine space with twin Volvo Penta 225 hp engines and a Fisher Panda generator to run the on-board air conditioning.

The large foredeck has a comfortable sun pad and an electric windlass. Down below there is a comfortable saloon with a galley featuring a twin sink, double gas hob and fridge. There is a double cabin forward, a double bed amidships and the saloon table can convert to a further double if required.

Both cabins share a centrally located head. This single owner boat has been in the care of Derani yachts for several years and has only 270 hours on her engines. Priced to sell and in lovely condition this boat is well worth inspection.
