**Year:** 2019  
**Condition:** Used

**Hull Material:** Fibreglass (GRP)  
**Draft:** 0.94 m  
**Number of Engines:** 2  
**Fuel Type:** Diesel

## Description

---

This 2019 model Azimut Atlantis 34 is available for immediate delivery at a substantial saving on the new boat price. The cockpit is very spacious for a boat of this size and offers plenty of seating and has a good size wet bar with electric grill, sink and a fridge beneath the helm seat and a big sun lounger under the sliding sunroof. Extras include a teak-laid cockpit and platform, 4-hp Side Power bow thruster and Lenco electric trim tabs.

Below in the amidships cabin there's a 6-foot 6-inch berth which is just under 5 feet wide, and which also has a good 3-plus feet of overhead clearance at the head end. The saloon table is surrounded by comfortable seats for four, and this area can also convert into another large double bed. On the port side a practical little galley has a two-burner ceramic cook top and fridge while across to starboard there is a good size shower and head compartment.

Powered by Volvo Penta D3 engines producing 220 horsepower through stern drives with duo props the Azimut Atlantis 34 has good acceleration and a top speed of 31 knots. Thai duty is paid but the boat has not yet been registered and there are just 52 hours recorded on the engines. The boat does not have a generator or air conditioning but this can be fitted locally by the eventual buyer.

### Broker Comment

This 2019 model Azimut Atlantis 34 is available for immediate delivery and is both a sporty cruiser and family boat for spending extended time on the water.
