Custom Cantiere Tormene 75

Make:	Custom	**Hull Material:**	Aluminum
Model:	Cantiere Tormene 75	**Draft:**	3.1 m
Length:	22.94 m	**Number of Engines:**	1
Price:	$ 650,000	**Fuel Type:**	Diesel
Year:	2001		
Condition:	Used		

Description

The Sailing Yacht Cocal was built for adventure and comfort. This superb cutter rigged 75-foot exploration yacht was built at the Cantiere Tormene shipyard in Italy in 2001. Built from marine grade aluminium with a hydraulic lifting keel she draws 1.4 metres with the keel up and 3.1 metres with the keel down. In 2018 she had a refit with the addition of top of the range navigation equipment and 80,000 BTU of air conditioning. She also carries an AB inflatable 3.8 metre dinghy with aluminium hull and a 25 horsepower Yamaha engine, a Bauer 2 electric diving compressor and seven sets of diving equipment. Although some of the systems on board still need attention with a little work she can once again be ready to sail into new and exciting adventures.

Accommodation on board is provided for nine guests in four cabins with crew accommodation in the bows for up to four. The owner cabin with ensuite bathroom is aft of the engine room. Moving forward is the large saloon galley area with a raised and fully enclosed pilothouse. Forward of the saloon are three more guest cabins. There is a family cabin with a queen-sized bed and bunk above and ensuite cabin and two ensuite bunk cabins, one with a standard bunk, a pipe cot berth and private ensuite and the other with two standard bunks shares its head with the crew cabin which has two standard bunks and two pipe cots.

She has a single 210 horsepower Caterpillar 3208 engine and a 16KW Northern Lights generator fitted in 2018. Navigation from B&G include 3 plotters, a glass bridge Zeus 2 16" and two Vulcan 7", 4G radar, two Triton displays, NAC-3 auto pilot and wind as well as forward looking sonar and structural scan depth, VHF, AIS, Iridium Go satellite communication, Simrad EG70 EPIRB and WIFI to view all navigation data on tablets. There are two water makers, one 220 volts producing 180 litres per hour and one 24 volts producing 60 litres per hour. Sails include two mains. 2 genoas, 2 spinnakers, a gennaker and a baby stay sail.

Broker Comment

This superb 75-foot aluminium exploration vessel is available now at a very attractive price and ready to sail the oceans.

Measurements

LOA:	22.94 m	**Number of Heads:**	4
Beam:	5.63 m		
Max Draft:	3.1 m		

Propulsion

Engine #1

Engine Make:	Caterpillar	**Engine Year:**	2001
Engine Model:	3208	**Hours:**	unknown

Primary Engines:	Inboard	**Power:**	210 hp
Drive Type:	Direct Drive		
Location:	Center		

Features

Electronics

- Depthsounder
- Wind Speed and Direction
