Description

This Al Dhaen 240 SF is a good quality centre console boat powered by twin 175 hp Suzuki 4 stroke engines with just 400 hours. With a top speed of 30 knots and a 25 knot cruising speed it will get you out to the quieter islands and the best fishing and diving sites with ease. It is fitted with a large screen colour chartplotter, VHF radio and Bluetooth stereo system.

The entire boat is protected by a large bimini with a forward seating area for four with storage below, a double console seat for two plus two more seats aft. There is a good size step down head in the forward part of the helm station with a hand held shower. The boat is fitted with an electric windlass and stainless anchor post.

There are twin boarding ladders, a short one for boarding from the beach and a longer swim ladder. There are four rod holders in the bimini frame plus two more in the back of the console seat. The boat is also equipped with outriggers and a seat back for the console seat which is not shown in the photos but is included in the sale.

Broker comment;

This Al Dhaen 240 SF is an ideal day boat for Phuket and the surrounding islands. It is suitable for fishing or diving or island hopping with friends.
