## Helicopter

---

The Sealine SC35 attracted lots of attention when first introduced because of its daringly different styling. It features a high freeboard and vertical topsides carried well forward resulting in a vast interior volume unlike that found on any other boat of its size. The forward owner's cabin is wide and spacious with an en-suite electric flush head and separate shower stall which is also accessed from the saloon as the day head. There is a spacious saloon and galley and a three berth aft cabin making it an ideal cruising boat for a larger family.

Up on deck is where this boat really feels much bigger than the average 35 footer. There is a double helm seat with excellent visibility, a wet bar with sink and gas BBQ and comfortable seating for eight guests. Protection from the elements is afforded by a large hard top with a huge sliding canvas roof if you want to open up the boat to the sun and breeze under way. With the roof closed and the aft canvas enclosure in place the cockpit can be air conditioned and the table converts to a bed for extra overnight guests.

The boat is powered by twin Cummins Mercruiser QSD 4.2 320 horsepower diesel engines with only 300 hours giving a top speed of a little over 31 knots. At a cruising speed of 25 knots the engines burn only 100 litres an hour giving an absolute range of over 180 miles. Off the plane the boat can cruise very economically at 7 knots for up to 700 miles. There is a good sized swim platform and a set of davits for the Walker bay RIB dinghy and outboard.

Broker comment;

With two good sized cabins sleeping five and an air conditioned enclosable cockpit this is a superb boat for the waters around Phuket. Economical and comfortable at low speed and agile and exciting at high speed this Sealine SC35 has it all.

## Measurements

---

Cruising Speed:	25 kn	Fuel Tanks Cap.:	750 L
Max Speed:	31 kn	Fresh Water Tanks Cap.:	200 L
Range:	150 nmi	Number of single berths:	3

- Electric Head
- Refrigerator

### Electrical Equipment

- Shore Power Inlet
- Generator

### Outside Equipment/Extras

- Teak Cockpit
- Davit(s)
- Cockpit Cushions
- Swimming Ladder
- Cockpit Shower
- Tender
- Cockpit Table

### Covers

- Cockpit Cover

## Manufacturer Provided Description

---

The new SC35 is a corner stone for the latest Sealine design direction. Filled with natural light from skylights in the saloon, forward and aft cabins, there is an unprecedented feeling of space for a boat of this size. Throughout the interior, the colour palette is warm and natural with walnut edging, washed walnut panelling and soft furnishings of ivory tones, silver blue and chocolate brown, whilst the secondary palette offers a fresh contrast with lime green, papaya orange and dark blueberry tones.

## Features

---

- Full length translucent convertible roof system
- Deep V hull, designed in collaboration with Ocke Mannerfelt, for comfortable and efficient cruising
- Skylights in the saloon, forward and aft cabins creating space and light
- Double doors opening to forward cabin creates an open plan feel
- Full height shower and separate day head
- Three separate single beds in the aft cabin
- Large L-shaped galley
- Deep sofa, chaise longue and soft stools in the saloon plus coffee/dining table
- Calm and natural colour palette

## Engine Notes

---
