Make:	Horizon	Hull Material:	Fiberglass
Model:	E56	Draft:	1.35 m
Length:	17.07 m	Number of Engines:	2
Price:	\$ 980,000	Fuel Type:	Diesel
Year:	2014		
Condition:	Used		

Description

This superb 2014 Horizon E56 flybridge motor yacht from the prestigious Taiwan-based shipyard is built for cruising in style and comfort. Featuring an unparalleled level of interior volume and expansive exterior entertaining areas she has a three stateroom, two head, layout that includes a full-beam master cabin.

The large flybridge has plenty of seating around the aft dining table and a wet bar with electric hot plate, sink and fridge. Down below there is a well-equipped galley forward on the port side opposite the lower helm and a dinette for four people. The large aft saloon opens onto a well shaded cockpit with dining table which is completely protected by a mesh screen to keep out the sun in the daytime and any insects in the evening.

Powered by twin Caterpillar C9 575 horsepower engines with just 420 hours recorded she has a maximum speed of 25 knots and cruises at 22 knots. There are electric bow and stern thrusters, windlass, and swim platform. On board power comes from a Cummins Onan 17.5 kw generator with a 5 kw Fisher Panda reserve.

Broker comment;

This Horizon E56 is a solidly constructed motor yacht designed for comfortable cruising with a beautifully finished open plan saloon, galley, and dining area on the main deck and a three cabin two head layout.

Measurements
