Description

This 2012 Sealine T60 has been lightly used with just over 400 hours recorded on her Volvo Penta D13 900 hp engines. A passarelle on the stern makes boarding easy and can also lift a dinghy onto the stern platform and the cockpit can be extended at the push of a button to give more space. The well-equipped galley is aft, and the raised saloon amidships gives excellent views while underway. There are twin lower helm seats and a side door to starboard to access the side and forward decks.

She has a spacious three cabin, three heads layout including a large full beam owner's cabin amidships with large head, the ensuite VIP cabin is forward and aft of that there is a triple cabin to starboard with a day head to port. A washing machine is fitted in the cupboard in the triple cabin. A crew cabin with a single berth can be accessed from the cockpit.

The boat is fitted with a Quick MC2X 19k gyro stabilizer for absolute comfort at anchor which is powered by the Kohler 17kw generator. Galley appliances include separate fridge and freezers, oven, microwave, dishwasher and 4 ring electric hob. There is a wet bar on the flybridge with sink and ice maker.

Broker comment

This 2012 Sealine T60 has been well maintained and is ready for a new owner. Contact Derani Yachts for an immediate viewing in Phuket Boat Lagoon.
