Description

Ajao is a customized and fully refitted motor yacht built by Baglietto in Italy at their Varazze shipyard. Her elegant exterior and interior styling give her a classic style and set her apart from modern yachts. Ajao has recently been operated as a luxury charter vessel and is ready to continue doing so or become a private yacht to explore the Andaman Sea and visit its pristine Islands in absolute luxury.

Ajao's interior configuration has been designed to comfortably accommodate 6 guests in three ensuite cabins, comprising a mid-ships master suite and two well-appointed twin cabins which are accessed via a central staircase. A separate staircase from the lower helm leads forward to two ensuite crew cabins, each with three single berths. One of these cabins could be used as a fourth guest cabin if required.

Ajao features a semi-displacement aluminium hull and superstructure, with teak decks and is equipped with a stabilization system, which reduces the roll motion effect and results in a smoother, more enjoyable cruising experience underway. Powered by two MAN 800HP diesel engines she is capable of a top speed of 16 knots, and comfortably cruises at 12 knots. With her 12,200 litre fuel tanks she has a maximum range of 2400 nautical miles at 12 knots. She carries 4,200 litres of fresh water supplemented by a watermaker which can produce 2,000 litres a day.

Broker comment;

This classic Baglietto 27 metre was built in 1981 and fully refitted in 2018 at a cost far exceeding the current asking price.

Information & Features

1981 MAN (Engine 1)

Type:	Inboard	Power:	800 hp
